## Contents and Structure

**Of English Verse** is divided into six chronological sections, each covering a specific period in English literary history:

- **Medieval Period** (c. 1066-1485)
- **Tudor Period** (1485-1603)
- **Stuart Period** (1603-1714)
- **Eighteenth Century** (1714-1800)
- **Nineteenth Century** (1800-1892)
- **Early Twentieth Century** (1892-1907)

Each section is further divided into subsections, which group poems by theme or genre. This organizational structure allows readers to easily navigate the anthology and find poems of particular interest.

### **Selection and Editorial Approach**

The poems included in **Of English Verse** were carefully selected by the editors, Sir Arthur Quiller-Couch and Edmund Gosse, two prominent literary figures of the late 19th and early 20th centuries. Their aim was to present a representative and comprehensive collection of English poetry that would appeal to a wide range of readers.

The editors adopted a broad and inclusive approach, including poems from both established and lesser-known poets. This resulted in a diverse and eclectic anthology that reflects the richness and variety of English verse.

The editors also provided brief s to each section, which offer historical context and insights into the literary landscape of the period. These s help readers understand the development of English poetry and appreciate the significance of the poems included.

## Significance and Value

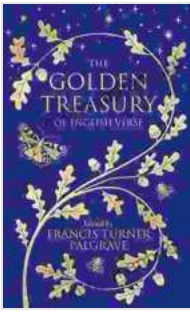

**Of English Verse** has been recognized as an invaluable resource for students, scholars, and lovers of poetry for over a century. Its comprehensiveness, authoritative selection, and accessible editorial approach make it a trusted and reliable source of information about English poetry.

For students, **Of English Verse** provides a comprehensive overview of the history of English poetry. It allows them to explore the works of different poets and periods, trace the development of literary trends, and gain a deeper understanding of English literature.
