The Modern Knights novels are a series of urban fantasy books that follow the adventures of a group of young knights who fight against the forces of evil in the modern world. The books are full of action, adventure, and romance, and they have been praised for their strong characters and well-developed worldbuilding.

The World of the Modern Knights

The Modern Knights novels are set in a world where magic exists alongside the modern world. The books follow the adventures of a group of young knights who are sworn to protect the innocent from the forces of evil. The knights are based in the city of New York, but their adventures take them all over the world.

The world of the Modern Knights is a dangerous place. The forces of evil are always lurking, and they are always looking for ways to harm the innocent. The knights are the only ones who can stand against them, and they are determined to protect the world from their evil schemes.

The Characters of the Modern Knights

The Modern Knights novels feature a cast of well-developed and engaging characters. The main characters are the five knights: Sir Lancelot, Sir Tristan, Sir Gawain, Sir Percival, and Sir Galahad. Each of the knights has their own unique personality and strengths, and they work together as a team to fight against the forces of evil.

In addition to the knights, the books also feature a number of other characters, including the knights' allies and enemies. These characters add depth and complexity to the world of the Modern Knights, and they help to keep the reader engaged in the story.

The Themes of the Modern Knights

The Modern Knights novels explore a number of themes, including the importance of friendship, loyalty, and courage. The books also explore the nature of good and evil, and the challenges of living in a world where both exist.

The Modern Knights novels are a great read for anyone who enjoys urban fantasy, action, adventure, or romance. The books are well-written and engaging, and they feature a cast of well-developed and memorable characters. If you are looking for a new series to read, I highly recommend the Modern Knights novels.
