Tyson Wild's latest novel, Coastal Caribbean Adventure, is a gripping thriller that will keep you on the edge of your seat. Set against the backdrop of the stunning Caribbean Sea, the novel follows the story of a young couple whose dream vacation turns into a nightmare.

Emily and Josh are a young couple who are looking for some adventure on their dream vacation to the Caribbean. They decide to go scuba diving in the crystal-clear waters off the coast of Belize. However, their adventure soon turns into a terrifying ordeal when they are attacked by a group of ruthless pirates.

Emily and Josh are taken hostage by the pirates and forced to sail with them to their hidden island lair. The pirates are led by a ruthless captain
