Materials You'll Need:

- Worsted-weight yarn in desired colors
- Crochet hook size H (5.00mm)
- Yarn needle for weaving in ends
- Measuring tape or ruler

Step-by-Step Instructions:

Foundation Row:

1. Make a slip knot and place it on your hook.
2. Chain (ch) the desired number of stitches for the length of your hot pad.
3. Turn your work.

Double Crochet Row:

1. Insert your hook into the second ch from the hook.
2. Yarn over (yo) and pull up a loop.
3. Yo again and pull through both loops on the hook (dc).
4. Repeat steps 2-3 across the row.
5. Turn your work.

Continue Crocheting:

1. Repeat Step 3 for the desired height of your hot pad.
2. When you reach the last row, do not turn your work.
3. Slip stitch (sl st) into the first dc of the previous row.
4. Ch 1 and sl st into each remaining dc across the row.

Finishing:

1. Cut the yarn and pull it through the last loop on the hook.
2. Weave in any loose ends.

Customizing Your Hot Pads:

Shapes:

- Square: Work in double crochet rows until the desired width and height.
- Rectangle: Work in double crochet rows until the desired length and height.

- Circle: Work in the round, increasing stitches as needed to create the desired diameter.
- Oval: Work in the round, increasing and decreasing stitches as needed to create the desired shape.

Sizes:

The size of your hot pads is entirely up to you. Adjust the number of stitches in the foundation chain and the number of rows to create hot pads in various dimensions.

Colors and Patterns:

Experiment with different yarn colors and patterns to personalize your hot pads. Try using variegated yarn, gradient colors, or even create your own unique motifs by combining different stitch patterns.

With Crochet Pattern: Every Shape and Size Hot Pads (PB142), the possibilities are endless. Whether you're a beginner seeking a simple project or an experienced crocheter desiring a versatile and functional pattern, this guide has provided you with all the necessary knowledge and inspiration to create stunning hot pads that will enhance your home and protect your surfaces from heat.
