In Dr. Stone Vol. 6: Stone World, Senku and his friends venture into the Stone World, a dangerous and unforgiving land inhabited by predators and hostile tribes. As they explore this new world, they must learn to adapt to its harsh conditions and find ways to overcome the challenges that await them.

Along the way, Senku and his allies encounter a variety of new characters, including:

- **Kohaku:** A skilled hunter and warrior who is initially hostile to Senku and his friends, but eventually comes to respect their intelligence and

determination.

- **Ruri:** A young girl who is skilled in medicine and herbalism, and who becomes a valuable asset to Senku's team.
- **Suika:** A playful and energetic girl who is always looking for adventure, and who becomes a close friend of Senku and his allies.

As Senku and his friends explore the Stone World, they also face a number of challenges, including:

- **Dangerous predators:** The Stone World is home to a variety of dangerous predators, including lions, tigers, and bears. Senku and his friends must learn to defend themselves against these threats, or risk becoming their prey.
- **Hostile tribes:** The Stone World is also inhabited by a number of hostile tribes, who are suspicious of Senku and his friends' intentions. Senku and his allies must find ways to communicate with these tribes, and to build relationships with them, or risk being attacked.
- **Harsh conditions:** The Stone World is a harsh and unforgiving land, with extreme temperatures, limited resources, and unpredictable weather. Senku and his friends must learn to adapt to these conditions, or risk dying of exposure or starvation.

Despite the challenges they face, Senku and his friends remain determined to rebuild civilization. They use their intelligence and creativity to overcome obstacles, and they never give up on their dream of a better future. Dr. Stone Vol. 6: Stone World is a thrilling adventure story that will keep you on the edge of your seat from beginning to end.
