Chapter 1: Understanding Patterns

The first step to successful pattern fitting is understanding how patterns are designed and constructed. In this chapter, you will learn about:

- The different types of patterns (e.g., commercial, independent, vintage)
- How to read and understand pattern symbols and instructions

- Choosing the right pattern size and style for your body
- Making simple pattern alterations to adjust the fit

Chapter 2: Fitting Tools and Techniques

Once you have chosen the right pattern, it's time to get started on the fitting process. In this chapter, you will learn about the essential tools you need, including:

- Measuring tapes
- Fitting tools (e.g., pins, scissors, fitting shells)
- Muslins

You will also learn the basic fitting techniques, including:

- Measuring your body
- Pinning a pattern to your body
- Creating a muslin
- Fitting the muslin and making adjustments

Chapter 3: Common Fit Problems and Solutions

Even the most experienced sewists encounter fit problems from time to time. In this chapter, you will learn how to identify and solve the most common fit problems, including:

- Baggy or loose fit
- Tight or constricting fit

- Gaping at the neckline or armholes
- Twisted or uneven seams

Chapter 4: Advanced Fitting Techniques

Once you have mastered the basics of pattern fitting, you can start to learn more advanced techniques, including:

- Fitting garments with unusual or challenging features (e.g., bias cuts, gathers, ruffles)
- Fitting different body shapes and sizes
- Customizing patterns to create one-of-a-kind garments

Chapter 5: Troubleshooting

Fitting is not always a smooth process, and even the most experienced sewists encounter problems from time to time. In this chapter, you will learn how to troubleshoot common fitting problems and find solutions.

With Sharone Stevens' expert guidance, you will learn how to:

- Identify the source of the problem
- Develop creative solutions
- Avoid common fitting mistakes

Mastering the art of pattern fitting is an invaluable skill for any sewist. With Sharone Stevens' comprehensive guide, you will learn everything you need to know to achieve a perfect fit for every garment you sew. From

understanding patterns to troubleshooting challenging fit problems, this guide will empower you to create garments that fit like a dream.
